This is for informational purposes only and is not intended to provide reimbursement or legal advice. While we have attempted to provide all known on-label codes available as of August 2024, these codes may not be all-inclusive; appropriate codes can vary by patient, setting of care and payer. Correct coding is the responsibility of the provider submitting the claim for the item or service. Please check with the payer to verify codes and special billing requirements. Genentech and AbbVie do not make any representation or guarantee concerning reimbursement or coverage for any item or service.

Many payers will not accept unspecified codes. If you use an unspecified code, please check with your payer.
